Cancer Protection Plan

Affordable cancer coverage for Pakistani women.

WWW.STATEHEALTH.COM.PK

Sinf-e-Aahan+ (SA+) is an affordable cancer protection plan for women, providing financial support for the treatment of specific female cancers through network hospitals.

Scope of Coverage

This plan provides coverage for the following cancers:

- Breast Cancer
- Cervical Cancer
- Uterine Cancer
- Ovarian Cancer
- Vaginal Cancer
- Vulvar Cancer
- Fallopian Tube Cancer

Benefit Structure

The SA+ Plan provides financial assistance for cancer treatment up to the selected coverage limit. Benefits are payable for eligible treatments conducted at approved network hospitals.

Available Plans

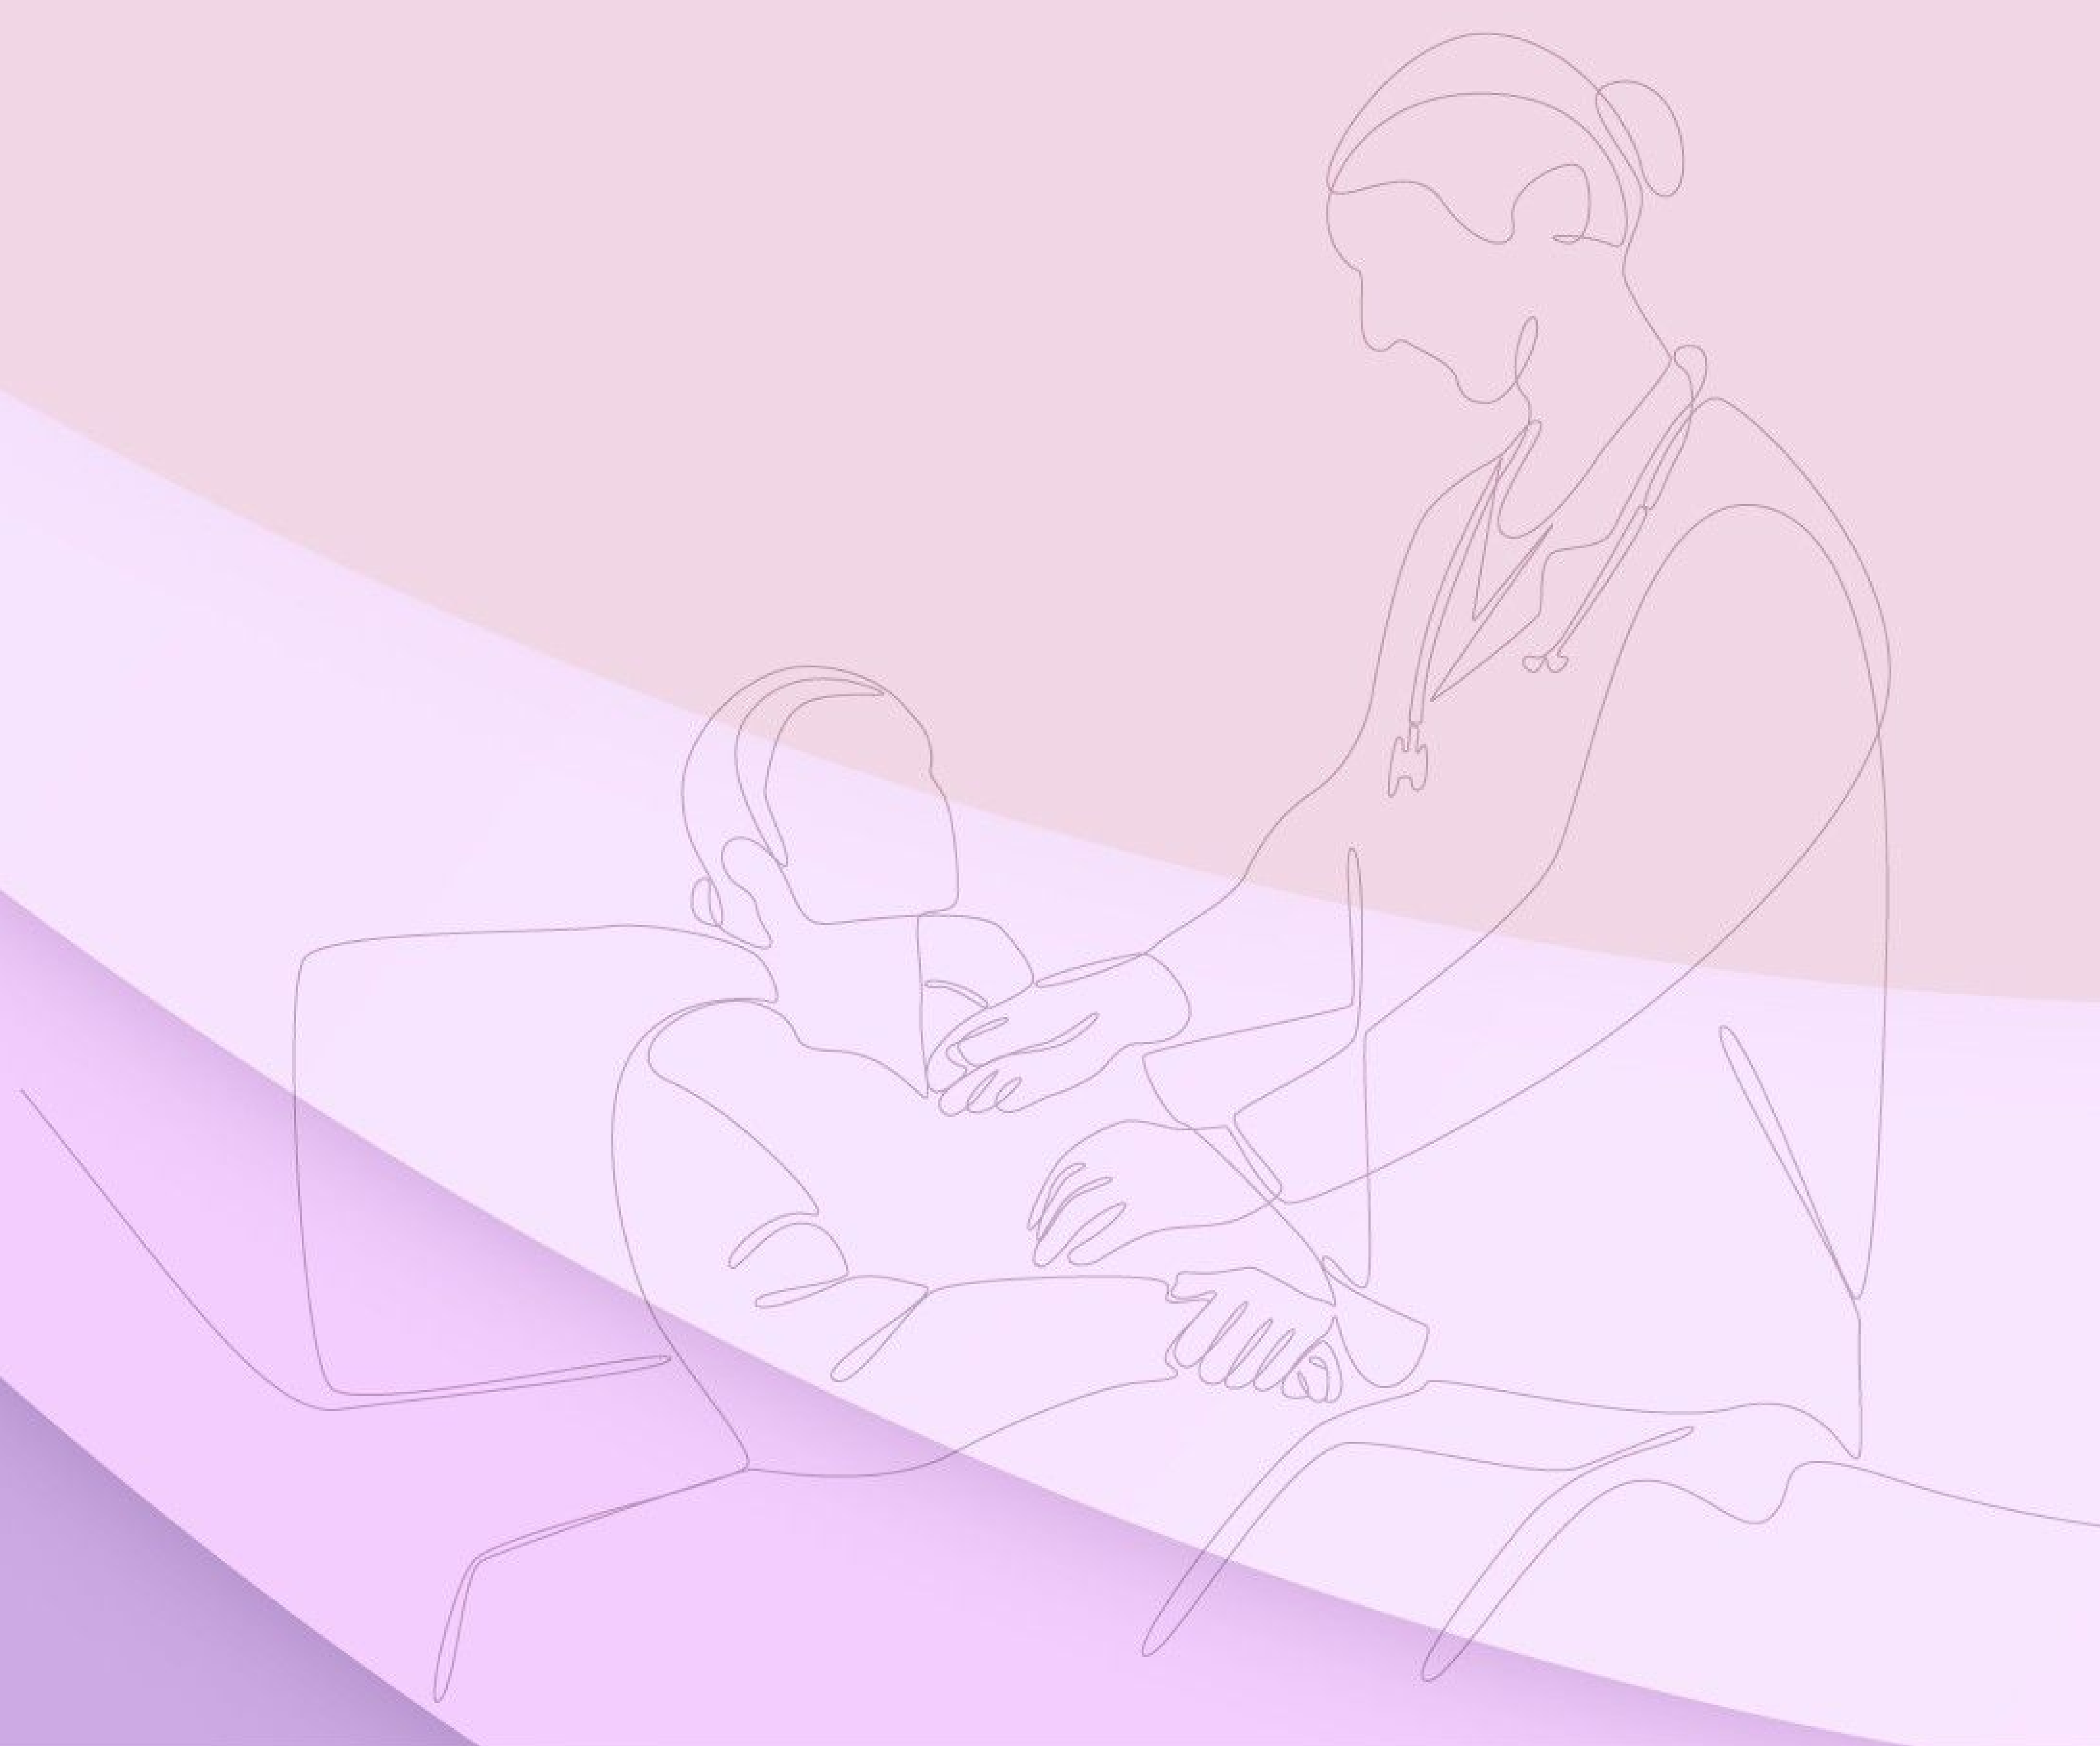
Available Plans	*Benefit Amount*
SA+1	Rs. 200,000
SA+2	Rs. 300,000
SA+3	Rs. 500,000
SA+4	Rs. 1,000,000
SA+5	Rs. 1,500,000

Coverage Period

The policy is issued for a period of one year.
The policy may be renewed annually at the end of each policy year.
Premium rates are subject to annual review by
State Life Insurance Corporation of Pakistan.

Eligibility Criteria

- All Pakistani females
- Age limit: *18 to 64* years



Initial Waiting Period

- In the first policy year, coverage will begin after 90 days from the date the complete application and full premium are received by SLIC.

- If the policy is renewed continuously without any break, the waiting period will be waived from the next policy year.

Conditions for Claim

- Diagnosis must confirm malignant cancer.
- A valid histopathological report must be submitted.
- Treatment must be obtained from approved in-network hospitals.
- Claims are subject to policy terms, conditions, and verification procedures.

Specific Exclusions

The following conditions are not covered under the plan:

- Carcinoma in situ or cancer in situ
- Dysplasia and pre-malignant conditions
- Any cancer not listed in the scope of cover
- Primary skin cancer other than malignant melanoma invading beyond the epidermis
- Organ-confined papillary thyroid cancer
- Cancer occurring in the presence of HIV infection
- Conditions without histopathological confirmation
- Pre-existing cancer or related medical conditions

General Exclusions

- Use of intoxicating liquor or drugs
  Drug abuse or addiction
- Use of non-prescribed medication not directed by a qualified medical practitioner

Underwriting (Simple Process)

The SA+ Plan offers a simplified underwriting process based on only two health declaration questions:

- I am currently not being investigated for cancer.
- I have never been diagnosed with breast, cervical, uterine, ovarian, fallopian tube, vaginal, or vulvar cancer.

Why Choose SA+ Plan?

- Special protection for major female cancers at affordable rates
- Financial support for treatment in network hospitals
- Simple enrollment with easy eligibility process
- Flexible plans with annual renewable coverage

"Because every woman deserves protection, care, and peace of mind."
